

## Courses and Registration Information

Upon successful completion of courses, the participant can receive graduate-level professional development credit. These credits are not part of a degree program but instead are primarily used for professional advancement such as salary increment steps and recertification. Students should seek approval of appropriate district or college officials before enrolling in these courses to satisfy any degree, state credential, or local school district requirements. One semester credit is equivalent to 15 hours.

### Registration Process

Registration for course credit through Brandman University can be accessed through our online portal <http://registration.brandman.edu/CourseRegistration.aspx?filter=EDDU9420,EDDU9422,EDTU9074,EDTU9104,EDDU9838>.

Once you've successfully registered through the portal, you will receive an initial confirmation of registration email with details on how to activate your Brandman student account.

Once grades are posted and credits have been awarded, a final confirmation email with details on how to order your Brandman student transcript will be sent to you so please read these instructions thoroughly.

Please feel free to call our office at 1-800-632-0094 or contact us via [www.brandman.edu/K12Questions](http://www.brandman.edu/K12Questions) with any questions about the online registration process.

### Transcripts

Every participant who registers with Brandman University will be able to order official Brandman University transcripts and retrieve unofficial transcripts through Brandman University's online student services system. Further information about transcripts will be provided in the final confirmation email once you've completed a course and a grade has been posted.
